- Trial entry will close when entries fill after the draw period or 9am Pacific Time on July 14, 2016.
- NACSW reserves the right to cancel a trial if minimum entry numbers are not met
- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.

Note: We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have 5 business days to have your check mailed and received to confirm your space in the trial.

- **Registration Method:**

All registration will be on-line via the link provided to the NACSW™ trial registration form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive an auto-response email confirming that we received your trial entry after registration - this email does not confirm your space in the trial. There will be a separate confirmation from smith.sharona@gmail.com to let you know if your entry has been given a space in the trial.

PLEASE NOTE: The following NW3 trials are being linked in order to maximize trial opportunities for as many people as possible:
Crestwell, OR and Carson, WA

If you have a confirmed space in one of the trials you will not be included in the first draw for spaces if you enter one of the other trials that opens after the one you got a space in. No person will be given a space in more than one of these trials unless all 1st dog/handler teams have received a space in one of the trials. Once all 1st dog/handler teams are accommodated then any remaining spaces will be offered to 2nd dog/handler teams whose 1st dog is trailing in the other trial based on their order on the wait list.

Entry Method:

Trial spaces will be awarded in the following manner:

- Spaces will be awarded by a random draw of all Qualified Entries (see below) received between 9AM Pacific time, May 24, 2016 and 9AM Pacific Time on May 26, 2016.
- In the event that you are having technical difficulties with the entry system, please email

trialEntry@nacsww.net prior to the end of the draw period.

- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the ORT or title requirements. These entries will be accepted pending completion of the requirements.

Note: If you are entered in another trial before this one and earn the title for the level you are entering (NW3) at this trial, you will forfeit your space in this trial. You may request that the host add you to the list of those wishing to run their dog For Exhibition Only (FEO), in which case you may be given a space in the trial if space remains after all Qualified Entries are accommodated. If you earn the title level after the refund period has ended then you must contact the trial host at: smith.sharona@gmail.com within 48 hours of earning your title to let them know you are no longer eligible. If you contact the host within 48 hours and (1) they are unable to fill your space then you won't be given a refund but will be allowed to keep your space in the trial and run your dog FEO or (2) they are able to fill your space then a refund will be issued minus the processing fee listed in the cancellation policy. If you fail to contact the host within 48 hours of earning your title then you will forfeit your space and no refund will be issued.

- After all entries received during the draw period are processed, if the trial level is still not full, entries will continue to be accepted in the order they are received through the closing date or when entries fill.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. In the event that multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full. No dog will be given a space in more than one day of any given trial weekend.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.
- If space remains after all qualified entries are accommodated on May 26, 2016 then we may accept entries for those who have earned the current title level – NW3, and wish to retest at the same level. Entrants retesting at the same level will be For Exhibition Only (FEO) and will not be eligible to receive title or placement ribbons. FEO results will not be included in the posted trial results.

Trial Conditions:

Modeled after real-life detection work, K9 Nose Work® trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly.

Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers agree that they are entering this trial at their own risk.

Liability:

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW™, Sharon Smith and its assignees or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW™ due to the actions of themselves or their dogs regardless of the cause.

Dog Policies

Dog Policies:

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Reactive and/or spatially challenged dogs should wear a red bandana (to be provided by the dog's handler) to help signal others that the dog needs extra space from other dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Please leave unentered dogs at home.
- Competitors should expect to keep their dogs confined in a crate or vehicle when

not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.

Females in Season:

Will be allowed to run wearing “pants” at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact smith.sharona@gmail.com so plans can be made for the dog.

Remember to bring your NACSW™ Scorebook to the trial if you wish to have your trial results recorded for your own records in your score book. If you bring your scorebook it is your responsibility to pick it up before leaving the trial site. It is not the responsibility of the host or NACSW to return score books or score sheets that are left behind or to mail ribbons that are not picked up.
